

Together We Build...
Together We Grow...

ST. PIUS X CAPITAL CAMPAIGN

Capital Campaign Update

We've Heard You!

During the initial “Leadership Gifts Phase,” the Capital Campaign has garnered pledges for just over \$1 million to date. The Campaign Steering Committee, which the Pastoral Council has directed to oversee the Campus Master Plan, has also received input from leadership groups and individual parishioners suggesting that we re-visit the scope and priorities of the first phase.

It is clear that our Parish remains committed to making the vision of the Campus Master Plan a reality. The desire to see the vision through to completion is strong, as is the faith that it will be possible over time. But the reality of our current environment, and what that means to everyone’s day-to-day lives, requires that we continue to refine the plan.

The Capital Campaign Steering Committee is in the process of drafting a proposal to re-prioritize and re-propose what this first phase can be. The parish leadership, including the Pastoral Council, SAC and the other commissions, will receive information about the proposed re-scaled expansion plan in the next month to six weeks.

Pray for the Spirit’s guidance, because
Together We Build...
Together We Grow...
in faith and as a community.
