*Together We Grow...*

## **Prayer of St. Pius X Building Campaign**

Loving God,

You call us to trust your promises for companionship with you now and for joy with you in the life to come.

You give us our mission *“to be the eyes and hands and heart of the Risen Jesus.”*

Help us to appreciate the sacrifices of our elders by adding to their legacy in this building campaign.

Empower us to carry out your Master Plan.

Open our hearts to be generous because of gratitude for your love.

Give success to the work of our hands.

St. Pius X, pray for us. Amen.
